#### Notice to Applicant, Multi-Animal Owner

The owner is required to notify the animal control department within 30 days of any animals no longer at such location. A record of notification will be kept with the permit.

The owner is required to notify animal control department of any animals added to the location within 30 days. A visit to the location and new application will be required. The new permit will be good for 1 year from date of issue in this case.

An existing animal can not be replaced with a new animal without redoing the application process.

#### Notice to Either Type of Applicant

As part of the process to inspect and permit the premises, the animal control officer may take pictures of the premises. Any such pictures will be kept with the permit application. These photographs would document the living and health and safety conditions for the welfare the animals.
